7. Any Suggestions (If any) Kindly take this as a positive approach →

① Though our professors are well-verse in teaching all our former upcoming teachers, they should upgrade themselves with the new curriculum as per different schools. Being different schools have different teaching techniques along with culture of work.

**THANK YOU !!!**

② B.ed college 'Shri Jain Vidya Prasarak Mandal' should have a tie-up with other schools so that they can recommend their best students to those schools. Not just same association schools like RMD etc. Other school tie-ups make a lot of difference.
