#### 4. REPORT ON TEACHER PRESENTED SEMINARS

It is the goal of SJVPM College of Education that every teacher and student become not only efficient but also effective. It is in this direction that a Some Seminars are being conducted to improve and develop the knowledge of teachers and students. Institute fully understands that everything rises and falls on the teacher's capability to bring learning at the heart of every pupil.

##### Objectives:

- To develop a better insight into the subject
- To increase knowledge of the students and teachers
- To improve the interaction skills of the students
- To showcase cutting edge research on education

##### Nature of Activities:

To enhance the effectiveness of teachers and students at SJVPM College of Education the department aims at conducting a number of seminars in which there is participation of both teachers and students. The topics on which the seminars are conducted are like Aims & Objectives of Teaching, Teaching aids, Professional development of teachers, Principles of Curriculum Development, Different skills of teaching, Teaching Methods. Here, the aim of the seminar is to have an interactive session for intellectual development of students and teachers.

##### OUTCOMES:

Through the Seminar sessions on different topics teachers and students gain an insight into the concepts presented. Through the sessions communication skills are developed of the students say the listening skills, interaction skills etc. The concepts learnt help the learners to construct their own knowledge.

Feedback by students and teachers both were satisfied with the seminars conducted. They said that it helped them in knowing a lot about the different concepts and suggested adding more topics for seminar sessions.

SJVPM College of Education conducted a Two days State level Seminar on "SOCIAL MEDIA AND EDUCATION" faculty members In the present SJVPM College of Education · on 19th & 20th January 2019. from various colleges joined
