6.5.1 Additional Information

Report of the events organized

Every year while in schools students are oriented to conduct various activities which are academic, cultural, sports and community. So holding of any physical activities was not possible but still lot of other online activities like kids carnival on children's day which was open for all school children where the children could send entries in various categories was conducted which was a hit among children who were bored sitting at home. Institute has organized various activities during Internship in which the Student teacher conducted various programs such as fancy-dress competition, handwriting competition, greeting card making competition and poem recitation competition. A single student could participate in a maximum of two events.

Over the past academic year, institute has organized a number of events that showcase its commitment to creating an inclusive and vibrant campus community. Birth Anniversary of Savitribai Phule was a resounding success, bringing together students, faculty, and guest speakers to acknowledge and celebrate the achievements of women. Inspirational talks, and empowering activities allowed participants to gain valuable insights and appreciate the contributions of women in all spheres of life. The event not only highlighted the importance of gender parity but also encouraged women to pursue their aspirations fearlessly.

Another notable events as per institute's academic calendar were: Shivajanti, Marathi Rajbhasha din, Annual Gathering, Mahavir Jayanti, Geographphy day celebration, Poetry Competition, Mehendi Competition. With infectious enthusiasm, students and staff from diverse backgrounds joyfully came together to mark the

advent of spring. This event promoted cultural exchange and harmony as participants shared in the joyous spirit of this ancient History of India. The occasion served as a reminder of the significance of unity and togetherness, fostering a sense of belonging among the college community. Furthermore, the college actively engaged in community service through its Rally on Ahimsa and tree plantation drives. During the Rally on Ahimsa, students actively participated in cleanliness campaigns both within the campus and nearby the Chinchwad, Chapekar Chowk area. Their dedicated efforts contributed to a cleaner and greener environment, inspiring a sense of responsibility towards the community's well-being. Similarly, the tree plantation drives demonstrated the institute's commitment to environmental conservation. Students and faculty planted numerous saplings, taking a step towards mitigating climate change and fostering an eco-friendly campus. These initiatives not only cultivated a sense of environmental consciousness among the participants but also established the college as a socially responsible institution. The students are really involved in every step of organizing the events. They work together in teams to make sure everything goes well. They put a lot of effort into planning and running the events smoothly. Besides that, they also keep detailed records of what happens during the events. This helps the school learn from each event and improve for the future. The students' hard work and teamwork make the events a big success.

Making an effort to improve the handwriting of students and for encouraging them in keeping a good hand, the student teacher had organized a handwriting competition and essay competition on the topic "A flop Movie I saw". The participants had to copy a specimen in their handwriting. Students were then supposed to submit entries through class teacher. Students were required to send their entries through class teacher according to the pre-decided rules. The entries were judged by the concern teacher. The competition was multilingual in nature and the participants were asked to submit their entries within the given period. The result was announced at the end of internship, on the occasion of Send-off day. All the winners were rewarded with Prizes.

The diverse range of events organized at institute reflects its commitment to holistic education and nurturing well-rounded individuals. From celebrating cultural festivals to empowering women, promoting cleanliness, and fostering environmental consciousness, the institute has proved its dedication to fostering an inclusive and socially responsible learning environment. These events have undoubtedly contributed to the personal and intellectual growth of students, creating lasting memories and meaningful learning experiences for all involved.
